OUT OF TRUMPS HANDS***
PASS THE NY STATE SINGLE PAYER PLAN

**Governor Cuomo Speak Out.
Press the Republicans Now.**

**Single Payer has passed the Assembly twice.
It needs just one more vote in the Senate.**

How Single Payer Works

- One universal health plan for all New Yorkers.
- Covers medical, drugs, dental, vision and hearing.
- Financed by a progressive payroll tax with employer contributions.
- No additional premiums, deductibles or co-pays.
- Same health care providers as you now have.
- Your doctor will bill the plan for payment. No more dealing with many different insurance companies.
