

District Leader (Female)

Theresa Canter

In October I was honored to be elected the Female District Leader by the County Committee 69AD, Part A, to fill the vacancy left by Cynthia Doty's passing. I now humbly ask for the endorsement of the Club's membership to complete the current term as District Leader.

Many of you know me as I have been a member of Three Parks Independent Democrats for over 30 years, but for those who do not, I will briefly summarize my background. I have been privileged to serve on the Board since 1995, and as an officer of the Club for 27 years. During that time I've served the membership as President, First and Second Vice President, Treasurer, and Judicial Delegate. For the past 8 years I have been Membership Director and will be stepping down as board member Josh Pepper has agreed to take over the reins. As Josh has been Membership Director in the past, I'm confident the transition will be smooth.

I look forward to continuing to work with Dan Cohen as my Co- District leader, and I assure you we will

always prioritize the best interests of Three Parks Dems and issues affecting the quality of life in our Upper West Side community and beyond, including the fight for affordable housing, giving voice to progressive causes, and supporting candidates with ability and integrity. Just as importantly, with my work as an Election Monitor and Lead Trainer for the BOE, I will do my part to ensure that we have fair, impartial and accessible elections for all voters.

With your help and support, and utilizing my extensive campaign and fundraising experience over the years, I will continue in my efforts to make Three Parks Dems a more visible presence in NYC County politics. I look forward to working together as a Club to elect our endorsed Democratic candidates in this incredibly important election year.
