Re: Support the troops in Iraq—bring them home

Dear President Obama:

I am writing to urge you to hold fast to the position you took on the Iraq war during your campaign: **please bring all combat forces home in sixteen months, by May 2010.** Newspaper reports have indicated that in your meetings with the Joint Chiefs of Staff and CIA officials, they have attempted to persuade you otherwise.

With media attention shifted to the economy, I wanted to make sure you knew that the people who worked hard on your election and hold out great hopes for your administration are still focused on this misbegotten war that has killed more than 4,000 and maimed tens of thousands of our sons and daughters; killed, maimed or displaced untold hundreds of thousands of Iraqis; and wasted billions of dollars that could be better spent on education, health care, job creation and ecologically sound energy initiatives.

Enough is enough. Please bring our children home now.

Sincerely,
