

# Three Parks Independent Democrats

**Benefit Sunday, May 4, at The Ellington  
105<sup>th</sup> St. and Broadway  
4:00 to 6:00 PM**

In these especially perilous times, it is more meaningful than ever to commemorate our history of championing progressive causes, speaking truth to power, and supporting Democratic leaders who fight back on behalf of our community.

We are honoring Manhattan District Attorney Alvin Bragg with the Ted Weiss Public Service Award and Team TLC, an immigrant advocacy group, with the Cynthia Doty Community Service Award.

This year's 50<sup>th</sup> Anniversary Benefit will enable Three Parks to continue working on city elections, take back the House in 2026, and fight against the horrors emanating from Washington. We plan to phonebank, text, organize postcard campaigns, and canvass. We continue advocating for the New York Health Act, the preservation of our community's zoning, and other urgent local issues.
