

President's Report

By Lorraine Zamora

May 30:

**Guilty. Guilty. Guilty. Guilty. Guilty.
Guilty. Guilty. Guilty. Guilty. Guilty.
Guilty. Guilty. Guilty. Guilty. Guilty.
Guilty. Guilty. Guilty. Guilty. Guilty.
Guilty. Guilty. Guilty. Guilty. Guilty.
Guilty. Guilty. Guilty. Guilty. Guilty.
Guilty. Guilty. Guilty. Guilty.**

It couldn't have happened to a more deserving guy.

June 1:

There's not much I can say about the trial that hasn't been said...except this:

On behalf of Three Parks Democrats, I took the liberty of congratulating District Attorney Alvin Bragg and his prosecuting team. They did a masterful job of presenting evidence of a criminal conspiracy to influence the 2016 presidential election. Three Parks couldn't be prouder: we endorsed and supported Alvin when he ran for DA, and we stand by him today, as supportive as ever. As many have noticed, Alvin Bragg is "the real thing." He gets the job done, systematically, in textbook fashion, without fear or favor.

Alvin does not seek accolades, but he has earned them. I hope others are sending messages of thanks and appreciation to Alvin, too.

It couldn't happen to a more deserving guy!

June 3:

Between now and Primary Day on June 25, Three Parks will be working to get out the vote and get people to the polls. We'll be tabling along both sides of Broadway from 97th to 106th Streets, as well as handing out literature in front of the Broadway and 96th and 103rd Street subway stations. Please check this newsletter, our website, and our eblasts for days and times. We need your help to ensure our endorsed candidates for Assembly Member and Judicial Candidates get elected.

See you all out on the streets!
