

President's Report

By Lorraine Zamora

Great News! Three Parks Independent Democrats and Broadway Democrats are partnering again. Together, we will staff our 2024 presidential campaign center at 2742 Broadway, directly next door to Silver Moon Bakery on W. 105th street, with two banners on our storefront windows: One saying HARRIS-WALZ 2024 and the other DEMOCRATIC VICTORY 2024.

As of this writing, we have a signed lease from Sept. 3 to November 9, but are awaiting insurance coverage before we can enter the space. It may take a few more days than anticipated before we get the key, so please look for eblasts announcing our grand opening or check our websites. We are looking forward to welcoming all club members to our efforts to help Kamala Harris and Tim Walz, and all Democrats running for office this year. The Campaign Center will offer scheduled activities including buses to swing areas, writing post cards and making phone calls to get-out-the-vote. And we've got some of the catchiest and snappiest buttons available for a suggested donation of \$3 per button, 2 for \$5.

The 2024 Campaign Center management team comprises:

Co-Managers:

TPID's Lorraine Zamora and Chuck Wall;
BD's Mary Pepito and Laura Mandel.

Executive Team:

TPID's Lynn Max, Steve Max, Corinne Constantine, Dan Cohen, Theresa Canter, Daniele Gerard. BD's Curtis Arluck, Paula Diamond, Dan Zweig, Luis Roman and Angela Rooks.

A Three Parks/Broadway Dems collaboration during presidential election years is a long-standing tradition. Once again, I look forward to working together towards a Democratic victory on November 5, and though I don't want to jinx the outcome, I'm also looking forward to one helluva celebration party!!
